The Story Your "t"s Tell: Personality Character Sketch

A Brief Personality Character Sketch from the handwritten "t"s of:

(If you have more than one checkbox marked off in any one area, this just means you have a variety of traits in this area and will vary between them)

Ready, Aim

- You make your goals only as far ahead as you can see, then, when you achieve them, you make goals for the next step.
- Your goals require some stretching on your part, but are unlikely to be extremely high risk
- You reach for the stars. You believe that if you are going to try to do something, you might as well go all out and aim for the top.
- Your goals tend to be more dreams than goals.

Fire!

- Once the plan is made, you are off and running. Drive and determination are yours.
- When a goal seems important to you, you have what it takes to get going to achieve it.
- You may make large goals, or you may make small goals, but when it comes to achieving them, you sometimes have a hard time turning idea into action.

How will you proceed?

- When you are working on a project or a job, you take **pride** in doing the best you can
- You like the freedom to work in your own style. You have your own ideas, and are not likely to enjoy having to the confines of someone else's way of doing things.

- It is important to you that you are seen in a way that you feel comfortable with
- You will go directly after your goals
- You are very clear thinking and can see your way ahead even when there are obstacles
- You will maintain a positive attitude, even when things are tough
- You will generally maintain a cheerful outlook, expecting the best to happen
- You will not give up easily
- You can identify opportunities and move towards taking advantage of them

Typical Behaviors

- You take things to heart and can feel hurt, even when none is intended, so you may feel the need to protect yourself from that
- You like to be in charge and find it quite easy to lead in any endeavour with which you are comfortable
- When things are not going your way, or when you are angry or hurt, you are often able to control it to the point where others are not aware of how you feel
- You feel enthusiastic often and it shows in your behavior
- You tend to blame yourself for things even when it's not your fault
- You do at times tend to put things off rather than deal with them
- You pay excellent
- You often neglect detail and view things as the bigger picture only
- Sometimes you pay excellent attention to detail, but at other times you miss out on some of the smaller points.
- You sometimes use sarcasm as your way of explaining things or as humor
